

# Elected Members workshop

## Local Water Done Well

# Recap of the Water Journey

# Current Work activity

- Manawatu-Whanganui Regional assessment

Purpose of the work is ***“to equip CE’s and EM’s with sufficient information to make an informed decision as to whether they would recommend to their individual Councils to proceed with some form of regional asset-owning CCO for the future delivery of Three Waters services, or not”***

- Regional Transition Team
- Mayoral Forum report

# Key Considerations

- Nature Calls project
- Financial Modelling
- Legislation

# Where we are at

---

- Continue to progress Regional Modelling
- Mayoral Forum feedback

# Questions
