## Fees & Charges

All fees and charges shown are GST inclusive.

Parking Fees & Charges are subject to change; often on a trial basis and at a reduced rate.

### PARKING METER TARIFFS | ON-STREET PARKING (METERED AREAS)

The primary objectives for on-street parking are to:

- Facilitate the primary and identified use of the road.
- Maintain high occupancy levels, with a target of 85% but below 95%, in support of efficient land use.
- Maintain a flexible parking supply which caters for and supports economic vitality and vibrancy.
- Maintain a parking supply that is balanced and supports active and public transport.

#### Note:

1. In terms of parking meter charges a normal week is Monday to Saturday inclusive. Sunday and Public Holidays are defined in the Holidays Act 2003 and will be no more than 4 days during the Christmas and New Year period.
2. Chargeable hours for parking are between 8.30am to 5.30pm Monday - Friday; and 11.00am to 3pm Saturday.
3. Any payment for parking meter tariffs made by credit card or 'text-a-park' will be the subject of an additional charge to recover costs.
4. Metered fees notified are as defined for the street/area section, but do not include short term parking areas which are specified on the sign as per the Traffic Control Devices Rule.
