Dear Mr Mitchell

PLAN CHANGE C: HEARING OF SUBMISSIONS

Pioneer City West Limited and Heritage Estates (2000) Ltd is a submitter and further submitter to Plan Change C.

The submissions stated that the submitter wished to be heard.

The submitter has now considered the section 42A reports and associated material and is generally satisfied that the issues of concern have been appropriately addressed.

Pioneer City West Limited and Heritage Estates (2000) Ltd therefore advises the hearing committee that it will not be presenting any additional submissions or expert evidence to the hearing.

For legal clarity the submissions are not withdrawn and continue to stand.

Yours sincerely,
