

Temporary Amendment to Standing Order 3.4.5

3.4.5 Definition of quorum for Council and committee meetings

The quorum at a meeting of the Council, [or] a committee must consist of

- a. half of the members if the number of members (including vacancies) is even; or
- b. a majority of members if the number of members (including vacancies) is odd.

In the case of a committee, the quorum must also include at least one elected members of the Council.

Stating that the quorum for the Committee of Council meetings for the month of May 2021 be three.

(Council 5 May 2021)
